My dear Past Pupils and Delegates,

It is with great joy that I write to you today to welcome our new World Delegate of the World Confederation Mornese Past Pupils of the FMA, Sister M. Sahaya Sangitha Rani, FMA. We are excited to begin a new chapter in our association with her, as the change of one member will renew the entire council. In this case, we know it is for the betterment of us all.

We are truly fortunate to have with us someone with vast experience in the educational field and solid professional and Salesian training, which will undoubtedly enrich our great family of Past Pupils worldwide. Her studies in India allowed her to obtain a degree in Mathematics and Electronics, a degree in Education, and a teaching certificate. She also earned a Master's in Theology of Consecrated Life and a Master's in Psychology, and she is currently pursuing a doctorate in Educational Psychology. Additionally, she has furthered her studies in Rome with a course in spirituality at Casa Madre Canta and a degree in Pedagogy at Auxilium.

Her extensive Education and diverse experiences make her well-equipped to undertake the new role that the Institute of the Daughters of Mary Help of Christians has called her to fulfill as the World Delegate. We thank our Mother Chiara Cazzuola, for this great gift with the appointment of Sister Sangitha among us.

As we welcome our new Delegate, we express our enthusiasm and readiness to work alongside her, to learn from her, and to grow together as an Association. We are confident that her guidance will inspire us to reach new heights and that her Salesian training will deeply resonate with our values, vision, and mission.

Together, we will continue to uphold the legacy of our founder, St. John Bosco, and Mother Mazzarello, promoting the spiritual and educational development of all Former Students. With her at the helm, we are eager to explore new opportunities, overcome challenges, and strengthen the bonds that unite us.

Dear Sister Sangitha, we warmly welcome you to the World Confederation Mornese of Past Pupils of the FMA. We look forward to working with you and achieving many milestones together. May your journey with us be filled with blessings, growth, and success.

With sincere gratitude and enthusiasm,

Maria Carmen Castillon

President,
