Dearest Past Pupil,

I welcome you to our Association, and I invite you to take a few minutes to understand what it means to be a "partner".

Who we are

An Association that places itself in society as a ferment and a transformative force, developing the "Charism" of the FMA Institute in the various socio-cultural realities and geographical areas creatively.

What do we do

We commit ourselves to the promotion and education of the young, of women, for the defense of life, of the family and we support the protection of human rights and peace.

How do we do it

Our Association is mainly based on the voluntary activity of its members, placing oneself as a movement of opinion in dialogue with the socio-cultural realities of the territory in collaboration with the civil and ecclesial organizations.

The member

As a member, I ask you to share our "charism", to feel like you are a member of a large family that is the Salesian Family.

I ask you to spread the initiatives of our Association among friends and acquaintances because the more we are, the more we can build more.

If you can participate in the initiatives of the Association in your "Union" bring your ideas and your contribution.

And if you want, you can do ... one more step!

Do you have any skills or abilities that you want to make available? Do you have ideas; proposals for new initiatives that you think can be useful? Do you have some time to dedicate?

Take one more step! Get in the game! You will not regret it!

Thank you for your time and once more welcome among us!

Maria Maghini
Confederal President
