

PRAYER FOR PEACE

1. Holy Mary

2. Prayer

Lord, even though the mountains may be shaken and the hills may be removed, we have Faith that Your promise of peace among men will not be removed.

Lord, the World is on fire, causing your children's hearts to tremble. But we pray that our faith in You will not be shaken and that there will be peace throughout the World, showering us with the Gifts of Wisdom and Strength to deal with all eventualities that create pain and grief in families.

Give us peace, teach us peace, and guide us to peace. Open our eyes and hearts and give us the courage to say: "Stop the war in the world."

Peace among Nations Father, we believe that the strength you give your people makes us feel that these wars are just a storm when everything seems lost in the difficulties in life and can often make our hearts fail out of fear of what is coming on Earth. In the power of your Spirit, please give us the strength to stand firm, for your strength is perfect for our weaknesses.

Instilled in us the courage to carry out actions for peace. Lord, God of Abraham and the Prophets, God of Love, who created us and called us to live as brothers and sisters, give us the strength to be artisans of peace every day;

Give us the ability to look with benevolence at our brothers, ears to hear with heart the cry of our children, and that weapons become instruments of peace, our anger in forgiveness.

Keep in us, Lord, the flame of hope that will lead us to dialogue and reconciliation. May our hearts deny division, hatred, and war! Lord renew hearts and forgive us of all the evil we have caused.

Lord, may I know how to love, understand, comfort, and give without receiving I always want to forgive and work to conquest the victory of peace! Amen
