

Leadership is like a handful of water.

Lord,

*Let us strive to be those who share it
with those who are thirsty.*

*Lord, remind us that it's about
listening and connecting.*

Leadership doesn't mean telling others what to do.

Lord, help us discover what people want.

*Leadership isn't about the love of power,
It's primarily the power of love.*

*Lord, as we continue
to take on the role of leaders,
Confirm us in the guiding service
that we are witnessing
in your Son Jesus.*

*We follow in his footsteps,
walking the path he has laid out. Amen.*
