Thank you for the very clear content.

Thank you to the training team for the quality of their work. We hope for another training proposal.

Thanks to Sr. Pina, Sr. Gabriela and our President Maria Carmen for organizing this important formative meeting.

Thank you for helping us to be good Salesian guides.

CONSIDERATIONS: (32 personas)

The theme and diffusion are good.

Thank you for giving us the opportunity to participate in this formative meeting that will help us to educate and transmit the indications received.

There is good information on a complex topic to be developed with young people.

I find an openness on the part of the Church that takes into account an important theme in today's social context.

I would like there to be continuity in the line-up. Congratulations to Sr. Pina and the organizing team.

Thank you
very much
